Dear Ralph,

Pat and I want to say to you what a tremendous help Mr. Durward Franklin was to us during our six months' stay in Quarters G. He could not have been more thoughtful and helpful in getting us settled and keeping the Quarters in tip-top shape while we were there. We were most grateful, particularly because we had those special problems due to our rather itinerant status.

We miss all of you at the Yard but are thoroughly enjoying our new Quarters. Again thanks, and all the best.

Yours,

STANSFIELD TURNER
